FESTIVAL INTERNACIONAL DESDE LA MITAD DEL MUNDO

Singing at our festival in Quito is an experience that will remain forever in your heart. The excitement resonates in every performance. Your choirs, the majesty of the Andes, our rich gastronomy, and the warmth of every corner of Ecuador create the perfect combination to celebrate life through song. What a better place to unite our voices than at the Middle of the World, where hemispheres meet and music transcends borders. Without a doubt, your voices will be applauded by a city that lives and loves choral music. From now on, WELCOME!
